4. Your GrainCorp Buyer Code

Please provide your 5 digit GrainCorp Buyer Code:

GrainCorp issues this Buyer Code upon execution of their Storage and Handling Agreement. This code will allow you to start trading on the Clear Grain Exchange although it does not restrict you from buying grain through other Bulk Handlers in SA (Viterra & AWB) and WA (CBH). Please note that you will also need to have a current season Storage and Handling Agreement with the Bulk Handling Companies in South Australia and Western Australia in order to buy grain in those states.

Please complete and return to the Clear Grain Exchange
